Description

This handshake award is hefty coming in at about 7 lbs. It shows the weight of the commitment of the people who choose to work together. It's a fantastic piece of two-tone stone, all crafted in one individual mold.

The image of the hands shaking is from real people. You can see the detail we put into these to keep them in high realism. If this is something that speaks to you and your needs, talk to our creative team about how we can make this unique for you.
